

**Make your
Grand Opening,
Re-Opening,
Anniversary or
Product Launch
more special with a
ribbon cutting ceremony
featuring our 36” giant
ceremonial scissors.**

Napanee & District Chamber of Commerce Ceremonial Scissors General Information and Lending Policy

1. How does my company book the scissors?

Contact the Chamber @ 613.354.6601. The scissors are reserved on a “first come first served” basis. A Chamber representative/ambassador will attend your event with the scissors and will take a picture of the ribbon cutting, present a certificate of congratulations in the case of a grand opening, feature the picture on our Facebook page and for Chamber members we’ll include a photo in our newsletter.

2. Is there a fee for the service?

No, there is no charge. This is a service provided as a courtesy by the Chamber of Commerce. Membership in the Chamber is not required. We are happy to assist our business community with their special celebrations.

3. Does the Chamber provide any ribbon?

No, the Chamber does not provide ribbon. You may wish to contact local floral shops or craft shops to inquire about ribbon or check out our online business directory listings @ www.napaneechamber.ca/businesses.

4. Does the Chamber coordinate ribbon cuttings?

No, however we would be pleased to provide some tips on “how to” host your ribbon cutting. The Chamber of Commerce will also, time permitting, post the event information on its website, its Facebook page and in its ENEWS broadcast. If you are new Chamber member our Member to Member program offers some great incentives, including advertising discounts.
